Overview

Make Calls and Listen to Your Playlist Through Your Car Stereo

AirCast Connect lets you make hands-free calls and play music from your playlist directly through your car speakers. Simple setup, intuitive one-touch controls and exceptional sound quality make this the perfect in-car accessory for your smartphone.

Simple Setup

AirCast Connect easily connects your smartphone to your car stereo—no need for professional installation. Simply plug one end into your phone and the other into your car's auxiliary input jack.

A convenient light ring makes it visible at all hours. Plus, the power adapter with USB port lets you charge your smartphone while you drive.
